About Lakeshore Capital

Lakeshore Capital is a leading international private equity firm that focuses on growth businesses in Thailand, Vietnam and the Greater Mekong Sub-region. The firm provides capital to industry-leading companies for expansion and buyout, and works with management teams to grow their businesses. In addition to investing, we create value by providing business advice on strategy, finance, M&A, operational improvement, recruiting and international expansion.

Lakeshore aims to help businesses grow sustainably and create lasting value for our investors, our stakeholders, and our communities. We value integrity and excellence in all that we do. Our team of talents, which brings in diverse experiences, capabilities, and perspectives, is the cornerstone to our success.

What we are looking for

- 1-2 years of experience at top tier private equity, consulting or investment banking firms or current 4th year undergraduate students from top-ranked schools
- Strong academic and extracurricular performance to demonstrate excellence in all areas
- An analytical mind, commercial acumen, good judgement, and solid grasp of financial concepts
- Demonstrated leadership qualities and self-initiation
- A collaborative team player with strong interpersonal and communication skills
- Entrepreneurial minded with genuine enthusiasm and interest in finance and investments
- Strong work ethic, an eye for detail and ability to perform under pressure
- High level of professionalism and integrity
- Excellent written and verbal English and Thai language skills

What we can offer you

When you join Lakeshore Capital, you are joining a firm that will invest in your professional development. You will be an integral part of our investment team in all aspects of our investment process including sourcing and evaluating potential investments, conducting due diligence, managing portfolio companies, and exiting investments. You will also get to work alongside portfolio company management teams on projects that create real impacts. You will enjoy a great deal of early responsibility and be expected to contribute to a number of exciting business projects.
